Fellow BBTS HOA Member,

If you want the BBTS HOA to communicate officially with you at a different address from your property address or via email, please sign and return the appropriate authorization forms. Of course, if your address or email changes, the burden is on you to update the HOA. Otherwise, we will send communications to you at your BBTS HOA property address (one per multiple lot owner/s) or official email or property address you authorized. Thank you.

Send authorizations to:

BBTS HOA
PO Box 1055
Port St Joe, FL 32457
Thank you again.
